## THE BEST HOTELS IN THE LAKE DISTRICT FOR WALKERS

For those of you who like to stretch your legs now and again whether to go for a short amble or for a more serious hill climb, there is no better location (a good source of info for walkers of all abilities is [Walkopedia](#)). The best hotels in the Lake District for walkers are not necessarily out in the middle of nowhere, though if you want to go straight from the door, it's better to be slightly off the beaten track.
